

**YARDLEY VILLAGE COUNCIL MEETINGS: February 13 & February 14, 2014**

**EXECUTIVE SESSION: February 13, 2014**

Attendees: Joe Ciasullo, Art DiGiuseppe, Rex Cassel,  
and Janet Burgess - CSK Mgmt

This council meeting was a continuation of January's double meetings dealing primarily with issues of stucco probes, notification to residents especially those with higher readings (28 homes), strategies and discussions of windows & sliders problems, other remediation issues, and how to best handle the response to KHov with involvement of YV solicitor Gilbert Toll, Esq, and experienced attorneys skilled in litigation issues.

A village meeting will be necessary to ensure acceptance of any proposed approach and work effort in this regard. In the current timeframe, however, Council must determine and concentrate on possible legal actions against KHov.
