

Yardley Village News

April 2021

Message from the President

Daffodils are blooming, snow stakes and equipment are gone and hopefully the pandemic is on its way out!

Vaccine

The vaccine is more plentiful but still is somewhat elusive. We continue to ensure all that need help signing up are signed up on several sites. Send me an email with your birth dates if you and/or a neighbor, needs help with this. We have helped almost thirty sign-up and schedule appointments so far. We want to make sure all of our residents that want the vaccine are taken care of.

Annual Meeting

The Annual Meeting, scheduled on April 29th, will not be held this year because of state Covid regulations. We do have our annual election for Council Members. If anyone would like to serve our village on Council, they must fill out a Candidate form available from CSK Management. They must be filled out and returned to CSK by April 7th. Terms of Rex Cassel and Dan Worden are expiring and both have said they will stand for re-election. The annual Accounting Report will be sent out by the end of the month.

Shredding Event

The Deb Dorsey Team is hosting a no-touch shredding event in the pool parking lot on Saturday April 24, from 9:00 to noon. Clean out your files and bring the paper to the event. Open your trunk and someone will take it out and put it into the shredder.

Scams

Again, continue to be wary of individuals emailing and calling threatening you from Social Security, Amazon, Norton Security, various banks (that you may or may not have accounts with). Most will not have proper identification in their email address and none, if legitimate, will ask for private information like Social Security or credit card numbers, especially if they called you! If someone like Amazon calls or emails that you purchased something expensive and is being sent to another address, call Amazon customer service at 888-280-4331. Clicking on links in these emails can give scammers access to your computer!

ROBO calls

Most of us get extensive Robo calls that are quite annoying, especially as we are hoping to get calls on vaccine appointments, or the calls come as you are sitting down to dinner. The Technology Committee identified a service that supposedly cancels these calls named NOMOROMO! It seems to be working!

Grid

Even though the Electric Grid has been modified, if you have an outage, please report it to PECO (800-841-4141) so they have a clear picture of the area effected by the problem!

Volunteers

We are always in need of volunteers in the Village to contribute some of their time to the benefit of our great Village. It is a great way to "give back" to our Village that many do to keep us one of the best in the Mill! There are many opportunities on committees mentioned at the end of this Newsletter. It is a great way for new residents to meet their neighbors beyond their immediate location and gives all a sense of community. The Decoration Committee is always in need of help. Helping decorate our entrance is a good way to get in the joy of an event. Please consider joining us. Remember, this Village runs on the efforts of our volunteers!

Walls

Some wing walls and walls at courtyards are in desperate need of repair. We are initiating a program this spring to start repairs before the issues deteriorate and increase repair costs. This year's repairs will begin shortly.

Community Center

The Community Center expansion project planning continues. We will have a clear vision of the final project with project costs before we launch into final design.

Yardley/Zephyr Ladies Lunch

We have nothing planned but now that more of us will be fully vaccinated perhaps more would feel comfortable eating out again. We will start working on it and let all know by separate email or in next month's newsletter.

Sue DiCarlo and Doris Mortimer

Romeo* Club

Jim sent out a note on Monday meeting.

*Retired Old Men Eating Out.
