July 2021

Message from the Vice President

Summer is here ... the weather is warm, and the days are long. It is hard to believe this is our 20th summer at the Mill. I started playing softball and pickleball, now it's bocce and horseshoes. It's been fun, and Hershey's Mill continues to make improvements and add new amenities. And ... Yardley Village is tops. While we have the strongest financial reserve in Hershey's Mill, our real asset is our people.

We continue to welcome new residents and encourage everyone to volunteer if you are able. Our committees are always in need of new members and new ideas. For example, our Landscape Committee is made up of volunteers who have just completed their annual spring assessment with Hershey's Mill Landscape (Chris Morris). They were able to review homeowner concerns as well as their own observations. Work will begin shortly. It is my understanding that HM Landscape has been improving their operations since their transition to Chris. Also, they just hired a new employee to work with homeowner communication.

It has been a pleasure ditching the masks now that most of us have been vaccinated. I hope you enjoy your summer.

Landscape Committee

Our East and West entrances have been cleaned up and new plantings are in.

Council has recently approved HML taking care of remedial tree, drainage and turf work identified by home owners and your Landscape Co. during their mid-May Village walk through. This will take time for the work to be completed so we all need to be patient. If your home is one of those getting turf work done, please remember to water as needed.

Social Committee

It was so nice to see neighbors and friends at our first Yardley Village Happy Hour on June 10th and because it was so popular, we have scheduled two more. The next one is on Thursday, July 15th (rain date is Thursday, July 22nd) at the same location next to 1702 Yardley Drive. John and Kathy Kohler deserve a big thank you for sharing their yard and the festive decorations. Mark your calendars for a third Yardley Village Happy Hour on Thursday, August 26th (rain date is Friday August 27th).

A Bocce Event is scheduled for August 16th from 5 - 7:30 (rain date August 17th). Marian and Ed Sweeney have agreed to host this event for us. They have done a fabulous job before. Come try it if you have never before. You do not need to be an experienced player, we all just have fun. Invitation and details will be sent out closer to the event.

Dine Around News

From Brigitte and Dan Feinberg
The Dine Around Group

Anyone who wants a Yardley Village name tag or would like to be added to the Yardley Village Dine Around list can call Dan Feinberg at 484-948-5874.

The Yardley Dine Around had their monthly event at General Warren this past Tuesday. Everyone was dressed up. We looked like a pretty classy group that came to a party, in our beautiful historic private room.

We all mingled while drinks were served and chatted with each other. Everyone seemed to appreciate the requested extra time for us to enjoy each other's company before our leisurely dinner.

The special menu created for our group was a delicious success. Everyone seemed in very good spirits and we had seven new members that experienced the Dine Around at it's best. We had a total of 46 people.

Thumbs up for General Warren and their wait staff! We will definitely be returning later this year.

The July Dine Around event will be at Azuka's new second restaurant, Poseidon, on Paoli Pike on Monday, July 19th. The owner, Gary, who has always taken special care of our group at Azuka, has transformed the former eatery into his own beautiful space with the same reliable menu with a few new additions. Invitations will be out soon.
