November 2021

## **Message from the President**

Fall is definitely here! Leaves are changing and lantern flies are laying their eggs. Keep after them and scrape their egg pods off the surfaces you see them on to minimize that "hatchlings" in the spring.

## **Master Association**

The MA is working with our engineers to see what we can responsibly accomplish with additional storm water retention facilities to mitigate damage from significant storms like the two we experienced at the end of this summer.

## **Community Center Addition**

We are nearing completion of the design part of this exciting project. Whether we bid out the project this fall or not depends greatly on the anticipated cost of the storm water management needs. We also have the cost of the sports facility upgrades that are planned for this spring.

## **Covid**

The Mill is still following state guidelines. We feel it is best to stay diligent in staying safe, but hope things will start easing into the fall. There are so many differing approaches on proceeding; it is hard to come up with a clear path to follow.

Depending which side of the argument you are on, we are now able to get the

booster shots, if you want, for our age group or if you are younger but have medical issues. Unlike the original vaccines that seemed impossible get appointments for, the booster shots are readily available, and available at our Rite Aid (610-738-8870) and Giant Pharmacy (610-241-1061). It is best to make an appointment through the above numbers. You can apparently "walk in" but you may need to wait about 40 minutes, depending on their current traffic. Not only do they have the original vaccines but they also have the boosters. You can get a different booster than the original vaccine you received, you may want to check with your doctor for clarification.

Don't forget about flu shots!

## **Newsletter**

Leslie Kirsch and Lee Gamma have been publishing the Newsletter for more years than they want to admit. Their diligence and efforts have made our letter the envy of the Mill and we all owe them immense appreciation for their efforts! We need to find a volunteer or two that can help with this effort and ease their load in producing this masterpiece as they have each month.

Producing the newsletter is not a labor intensive activity, especially when shared by several volunteers that alternate each month, but a process of assembling input from several entities into a preset format. For us to continue with this important informational document, we need several individuals to offer some time. Volunteers make this village the special place it is and the newsletter is an important part.

Again, thank you Leslie and Lee for all you have done over the last years. Hopefully we can get you some help to your efforts. Please let me know if anyone is willing to help with this. (gearle9@comcast.net).

*George Earle  
Yardley Village President*

## **Newsletter Committee**

After 18 years of working for our village, Lee Gamma has announced her retirement.

We need a volunteer /volunteers to publish the newsletter each month. Publishing the Newsletter takes very little time and can be done on almost any device and wherever you have Wifi.

### ***Dine Around News***

From Brigitte and Dan Feinberg  
The Dine Around Group

The October Dine Around group met at Bunha Faun. They opened the doors for our group of 48. We had the whole restaurant with two seating's at 5:30 and 6:30. Chef Nai came through with his very consistent French influence on his many classic dishes. His special off the menu liver entrée was particularly popular. We ordered in advance enough for 8. The creams of mushroom and French onion soups were outstanding. Another amazing appetizer was breaded oysters over spinach in a marvelous rich and tasty sauce. I had a perfectly cooked rack of lamb seasoned with French mustard and breadcrumbs. Brigitte had a scallop and shrimp dish with artichokes and mushrooms in another one of his amazing sauces that he does so well. Thank you, Chef Nai, and your wait staff for a wonderful evening and to all the warm friendly neighbors who made it so special. The best of company.

The next Dine Around will be at Pietro's Steakhouse in West Chester on Monday, November 15th.

Interested in joining the Dine Around group or need name tags call me.  
Bon Appetite,
