

May 2015

The Hershey's Mill Security Department would like to remind pedestrians that they should utilize sidewalks, where available.

Where sidewalks are unavailable, pedestrians should utilize the shoulder on the left side of the road...facing oncoming traffic, as this allows drivers and pedestrians alike a much better opportunity to see the other approaching.

However, keep in mind that Hershey's Mill roadways also have several "blind spots" (small rises in the road, curves, and other areas of poor visibility). In these areas, pedestrians should use extra caution and be aware that drivers may have a difficult time seeing them. Just because a pedestrian notices the vehicle coming toward them does not mean that the driver has also seen the pedestrian. Both parties should always use caution when sharing the roadways within Hershey's Mill!

Lastly, all people (pedestrians and operators of automobiles, golf carts, bicycles...etc) utilizing Hershey's Mill roadways and walkways are required to abide by the traffic rules and regulations of Hershey's Mill.

Thank you!
