

## July 2016

As the weather gets warmer, the Security Department begins to find an increasing number of instances of front doors, car windows, trash doors, basement windows...etc. being left open (or ajar), especially after dark; and while these actions may seem innocent enough, they actually invite potential burglars to take a closer look at choosing your, and your neighbor's, property as possible targets.

Although the Security Department works year round to deter any type of criminal or mischievous activity within Hershey's Mill, we are also aware that this type of activity usually increases within the township during the summer months; and we need your help in assisting our prevention efforts!

Therefore, the Hershey's Mill Security Department would like to urge residents to **always be sure to secure their homes and vehicles!**

Thank you for your assistance!
