

September 2016

Hershey's Mill has recently approved increasing, from 6 to 10, the number of gate devices (clickers, swipe cards, & UPass) allowed to be assigned to each residence. This means that residents may now order a minimum of four, depending on their number of current devices, additional gate devices before reaching the limit for their residence. If you wish to purchase additional UPass devices, please stop by the Main Gate Security Center to fill out, or pick up, a Gate Device Order Form. Please note that if you are planning on purchasing a UPass window sticker, you will need the Make, Model, Color, and License Plate # of the vehicle(s) receiving the sticker(s). If you have any questions, please feel free to call Security Director Marc Fraser at 610-431-4006.
