

Subject: Verizon Workers Saturdays and week of Mon., Aug 28 - Fri., Sept 1

All,

- Verizon Construction workers will be working on Saturdays, except for holiday weekends, routinely. Some will be completing restoration and reset work, some will be installing conduit.

- Verizon Construction workers, next week, Monday August 28 through Friday, September 1, will not be digging after Wednesday, August 30 and will be completing primarily restoration work on Thursday and Friday. There will be no Construction workers in the Community over the holiday weekend. Construction will begin again, Tuesday, September 5.

- Next week Verizon Cable Pullers and Splicers will be working on property Monday through Friday, then returning to work Tuesday, September 5, after Labor Day weekend.

- ONT Install Technicians will not be working in the Community next week, Aug 28 - Sept 1 and will return to working in the Community, Tuesday, September 5.

Thank you,
Sherry
