

Wi-Fi ID (Network Name) and Password Change

The WiFi ID and Password are on the side of the Router. To change either or both:

Through 'My FiOS' app on a tablet or smart phone
(To get the 'My FiOS' app, download it from the App Store on your tablet or smart phone.)

Sign in to 'MyFiOS' app

>Select 'Internet'

>Select the 'Network Name' you want to change: the Network Name and Password will be visible.

Both may be changed at this time.

>Select 'Edit' in top right corner

>To Change the Network Name: delete the name and enter the name you desire

>To Change the Password: delete current password, enter new password

>select 'Save' in top right corner

>exit app
