AUGUST/SEPTEMBER NEWSLETTER 2018

“A BIG QUESTION” ANSWERED

In the last newsletter, I asked two questions:

1. How do we recruit new players to our respective activity? The answer seemed to be, “We only communicate with those who play regularly.” This astounded me since the reason the activities flourish is because of recruiting. Once we stop recruiting, the activity will gradually decrease.

2. Do you; your players prefer competition or social games? This too astounded me. 90% prefer social. With that said: let’s focus on the social side and maybe we will attract more new players.

Just a thought!

We bought a few extra tee shirts and have 8 left. Here is what we have: (3 men med), (2 men X lg), (2 ladies lg), (1 ladies med). Priced at: \$25.00 each or \$15.00 to those who already bought one.
