

From the Hershey's Mill Master Association....

A message from WCASD Superintendent Dr. Jim Scanlon about a cultural opportunity at nearby East Senior High School. Please share.

The West Chester Area School District is proud to host the Kennett Symphony Orchestra for a Holiday Pops concert this December 1 at 7:30 p.m. at East High School. Joined by vocalists, the Symphony will perform holiday classics.

Tickets are going fast for this evening, featuring Chester County's only professional symphony orchestra.

There's a significant discount for students, and, since the Symphony is a non-profit organization, your ticket purchase is tax deductible. To order, visit [www.KennettSymphony.org](http://www.KennettSymphony.org), or call **610-444-6363**.

Hoping for a sell-out performance so these professional musicians will be enticed back to our schools!

Thank you, Ed McFalls
