### Pickleball Update

Our Opening Day Celebration was a great success Saturday. Thank you to all who attended and especially the newcomers who attended the clinic run by Lynn Mander.

The following was written by Lynn to those of you who are just beginning as well as those players who prefer a game with the emphasis on fun and would like to sharpen their skills:

Thanks to all who came out for spring opening day of pickleball on Saturday, April 27th. To all the new and first time players, we hope you enjoyed yourself and that you'll come back.

To encourage beginner and advanced beginner players, we will offer coaching and instruction from time to time. Pickleball is a friendly community and you will find players willing to help you keep score and hints on how to improve your game.

For those beginners interested, we will be out in the courts at 8:30 this Saturday, May 4 to reinforce what we worked on at the opener and to give you a little extra practice time.

Regular open play is 9:30 am every day except Sunday when we play at 2:00. We also play Tuesday and Thursday evenings at 5:30. You can also schedule your own court time using ROCO. See the direct link on the HMSG page.

Hope to see you on the courts!
