

All Residents,

The HM Cell Phone Program Presentations are in the final weeks. The Presentations, including Question & Answer Sessions, are about an hour. Below are the Schedules for the remaining Presentations and Private Appointments times in May. There will be two Presentations in early June. Private Appointments will be on going throughout the year and may be arranged by emailing [bsfkane@gmail.com](mailto:bsfkane@gmail.com).

**- Unlimited Plans start at \$50 for one line, \$70 for two lines, including all taxes and fees. There are also Military/Veteran Plans with up to 12 lines and Family or Multi Line Plans also.**

- After attending a Presentation, Private Appointments are available for Pre-Counseling or to open a new Cell Phone Account. Appointment Sign Up Sheets are available at the end of every Presentation or you may email [bsfkane@gmail.com](mailto:bsfkane@gmail.com) with a preferred time and date. Check the Schedule for Private Appointment dates and times. Be sure to receive a confirmation email in return.

- After Opening a new Cell Phone Account there are Private Appointments to activate your account, be placed on auto pay for best pricing and move data from one phone to another, etc..

- By request, we are extending the Presentations and Private Appointments for two additional weeks in to June. Watch for the Schedule when it comes out. The Schedule is also posted on the Community Center and Cove doors.

Thank you,  
Sherry
