The show offers visitors a tiny slice of the industry that employs nearly half a million people and contributes \$185 billion to Pennsylvania's economy every year. The Pennsylvania Farm Show offers something for everyone, young and old, farmers and non-farmers, foodies and just people who like to have fun. Aside from food and entertainment, the annual event offers the public an opportunity to get an up-close view of how our food goes from farm to fork, and learn about the diversity of Pennsylvania agriculture and the ingenuity of its people.
