MARCH 2020

From the Council

March has turned into a very unsettling month. From a very early spring to a shutdown of schools, government offices, businesses, restaurants and so much more, the COVID-19 virus has impacted our lives.

This will be a very abbreviated Newsletter for the month of March.

Our Executive Session and open-session council meetings have been cancelled for this month. There was a Master Association meeting that took place early in the month. (see below for comments).

Remediation work continues in Middle and Lower Robynwood. Alarm panels and smoke detector upgrades have been put on hold until April 1st.

There will be no committee reports this month. We look forward to the month of April to be back-to-business as usual.

The Council wishes all of our neighbors, friends and residents of Robynwood and the Mill good health. Please listen to and follow recommendations given by federal, state, and local agencies regarding this trying time. Be safe. Wash your hands often. Keep a safe distance from others.

Our next open Council Meeting will be held April 20th at 3 p.m. in the Paoli Room.

Master Association

- The elevator project is on schedule and should be completed by the end of April.
- The Master Association continues to review the bylaws of the various committees to ensure there is no conflict with the Master Association's bylaws.
- Pipeline: No change in pipeline status.

- There will be a Landscape meeting with Mike Neal from Hershey's Mill Landscaping on April 22nd with the landscape chairs from each village.
- There was a letter sent out in 2015 regarding the safety of those who walk the golf course. This letter is to be updated for continued safety.

Quote of the Month

“When things are bad, we take comfort in the thought that they always could be worse and when they are, we find hope in the thought that things are so bad they have to get better.”
