

Key to trees in moist upland of Institute Woods

Warning: The key does not split up several genera, e.g. Hickories, Ashes, Cherries, Oaks.

It does not contain many trees you may find, especially in:

- ① Dry woods: Hophornbeam, Redbud, Serviceberry, Hawthorn
- ② Streams and flood plains: Silver Maple, Boxelder, River Birch, Cottonwood, Elm, Walnut, Willow, Blue Beech, Mulberry.
- ③ Partly open areas: Gray Birch, White Pine, Red Cedar, Crabapple
