

## Franklin Village Pool Rules - 2023

1. Adults enter the pool area by pulling top knob up and by simply pulling gate open. Please don't let the gate door slam shut. The rubber knobs covering the knobs are meant to slow down the squirrels.
2. The pool is available ***ONLY*** to Franklin Village residents and their guests. Guests must always be accompanied by a resident.
3. Residents are responsible for the conduct of their guests and for informing them of the pool rules.
4. Persons with disorders, infections of the skin, intestinal tract, respiratory tract, or children in diapers that are untrained, are not permitted in the pool. Adults may not wear incontinence products (such as Depends) in the pool.
5. Food and beverages are permitted. It is the resident's responsibility to clean up their debris and **take their trash with them when they leave**. Trash receptacles are for Village functions only.
6. Absolutely **no glass containers of any kind** for any reason are permitted in the pool area.
7. **NO pets allowed** in the pool area at any time.
8. If your guests include children, please be respectful of others when it comes to noise, activity, and toys.
9. **No smoking inside the pool area or the surrounding outside area.**
10. A shower should be taken before entering the pool, especially after athletic activity.
11. Adults have first use of the chairs and lounges, one per person.
12. ***Place a towel on the chairs and lounges before sitting on them. Suntan lotions and oils permanently stain the vinyl.***
13. The safety and comfort of all residents is our primary concern; therefore, **diving, running, ball-playing, and splashing are prohibited.**
14. A proper cover-up must be worn by all residents and guests when traveling to or leaving the pool area. No cut-off jeans or shorts may be worn in the pool (due to loose threads that clog the filter).
15. Draping towels or clothing over the pool fencing is prohibited.
16. **Return umbrellas to their closed positions after use. Return chairs and pool swim aids to the storage boxes before leaving the pool area.**
17. Any damage to property caused by residents or their guests will be the financial responsibility of the resident involved.

**The enforcement of these Rules is the responsibility of all Franklin Village residents.  
Enjoy your pool and be considerate of your neighbors.**
