Join us at the American Music Theatre for a trip down memory lane, as we take in a special performance by Chubby Checker, who will be singing all of our favorite songs! Every time Chubby Checker steps onto a stage, he demonstrates charisma and a unique quality that can never be equaled. In 1960 he went on American Bandstand where he performed “The Twist.” Those two minutes and 42 seconds forever changed the way we dance to the beat! He is the only artist to have 5 albums in the Top 12 all at once, and he remains one of the most exciting performers out there...and only gets better with time! Appearing with Chubby Checker is Chris Ruggiero, who takes his audiences on a journey through the golden age of rock and roll, breathing new life into the timeless music of the 1950’s, 60’s, and 70’s. Chris has been described as an “old soul” at only 25 years old, whose approach to his concert appearances is more in line with that of a bygone era than it is the artists of his generation.
