

Village of Robynwood Newsletter **2nd Quarter 2025-April**

From the Council

We would like to extend our heartfelt thanks to Don Owens for his many years of dedicated service on the Robynwood Council. We appreciate his contributions and wish him all the best in his new endeavors.

At the same time, we warmly welcome John Rimgaila, who will be replacing Don on the Council.

Spring is in the air, and your Council is actively engaged in seasonal village maintenance. Hershey's Mill Landscaping is in full swing, conducting winter clean-up, spring trimming, fertilizing, and weed prevention. The Landscape Committee will soon begin its spring review and collaborate with Hershey's Mill Landscaping on a three-year plan for extended maintenance in common areas.

Please note that this is an off-season for mulch. If you choose to refresh your mulch this year, only BROWN mulch is permitted.

The Maintenance Committee is also conducting its spring review to assess and schedule any necessary repairs following the winter months.

Let's all do our part to keep Robynwood beautiful and green! During drought conditions, please remember to water your trees and shrubs. As always, CSK is your first point of contact for any questions, concerns, or maintenance issues.

Warm regards,

Robynwood Council
