

December Update

This holiday season, give yourself the gift of fresh air, exercise & fun with your PB Nation friends...

Winter Hours of Open Play

10:00 am — 1:00 pm 7 days a week

All Levels Welcome

If you'd like to join the weather alert email list for updates on adjusted play times or help clearing the courts, please let Dawn know (pocketz5@aol.com).

No need to reply if you're already on the list.

GIVE the Gift of Safety & Etiquette to yourself and to your fellow players:

- **Chase down or call out loose balls immediately** to prevent trips & slips.
- When returning a ball, **make eye contact first** before tossing, rolling, or gently hitting it back. Do **not** whack the ball at someone, especially if they're turned away.
- When crossing an active court, **wait for the point to finish**, then ask permission to cross.
- Make **line calls only on your side** of the net.
- If you didn't see where a ball bounced—in or out—it's IN.
- **Don't backpedal** or run backward for a ball.
- Consider wearing **protective eyewear**.
- **Hydrate**—even in winter

Thank you Pickleball Nation..

**Thank you for making 2025 such a wonderful year!
Your participation is key—it's what puts us on the
HM map and makes our group SO MUCH FUN!**
